ABOUT US

Wetcor Damp and Waterproof (PTY) Ltd was established in 2019 in Boksburg Gauteng

We specialize in:

- * Building
- * Site Establishment
- * Foundations and Slabs
- * Brick and Plater work.
- * Concrete Slab roofs
- * Tile, polycarbonate and IBR roofs.
- * Alterations to existing dwelling
- * Water and damp proof, on new and existing dwellings.
- * Factory walls and IBR, Polycarbonate & tile roofs.

We are highly skilled team with 40 years experience in the building trade.

THE BOSS AND THE FIRST LADY

- Deon Vercueil the Managing Member is a qualified builder. He started his career in the building industry in 1979 and did his building trade at Olifantsfontein In South Africa. Deon is personally involved in every project from start to finishing off.
- Ellen Vercueil, the behind the scenes superhero of the operation admin and finance is her game.

THE TEAM

We have a highly skilled team, that strives to give the best service and highest quality workmanship.

Our skilled workforce are professionals that can work in cross functional areas and are led by a site manager.

We strive to improve our skills day by day to exceed the customers expectations.
